General Feedback

The 12% Similarity Report is fine because it's due to the Report Template.

Your report has a satisfactory discussion of the following parts:

- Devise comprehensive project plans (P5)
- Communicate appropriate project recommendations (P6)
- Present the arguments for the planning decisions made when developing the project plans (P7)
- Discuss the accuracy and reliability of the different research methods applied (P8)
- Produce comprehensive project plans (M3)
- Assess the extent to which the project recommendations meet the needs of the identified organization (M4)

Strength of Performance

The student was able to:

- Devise comprehensive project plans for a chosen scenario, including a work and resource allocation breakdown using appropriate tools.
- Communicate appropriate project recommendations for technical and non-technical audiences.
- Present arguments for the planning decisions made when developing the project plans.
- Discuss the accuracy and reliability of the different research methods applied.
- Produce comprehensive project plans that effectively consider aims, objectives, and risks/benefits for an identified organization.
- Assess the extent to which the project recommendations meet the needs of the identified organization, including fully supported rationales for planning decisions made.

Limitation of Performance

The student was unable to:

- Evaluate the project planning recommendations made in relation to the needs of the identified organization and the accuracy and reliability of the research carried out.

You did not satisfy the following D2 criteria because your non-satisfactory discussion of how the accuracy and reliability impacted the evaluation of the project planning recommendations.

No re-evaluation of the generated knowledge mentioned in Report 1.
